

BC is a symbol for longevity. It's also Brunswick's ticker symbol, under which Brunswick Corporation stock has been trading on the New York Stock Exchange floor for nearly 90 years. It is because of our investors that the company has experienced such legendary growth over the years. We will continue to find ways to better serve our dedicated Shareholders.

We take our responsibility of growing shareholder value very seriously. We continually strive to build upon our leadership positions to reinvent our Company and the industries we serve. We're investing in our brands, creating game-changing products, strategically positioning our businesses for stronger growth and higher returns, and continuously improving productivity and cost structures.

Our shareholders have supported and believed in us since 1925, and we will continue to create value for them.
